Part-3-East to West!!

What is there to see in the United States? Let's take a journey across the USA and visit the country's most popular tourist attractions.

New York City is the largest metropolitan centre in the USA. It is famous for the Statue of Liberty, Empire State building, Times Square, nightlife and shopping. It is a huge vibrant city that never sleeps.

Washington DC, the capital of the USA, is a beautiful and interesting city. It is filled with museums and public parks, and is the home of the White House.

Orlando, Florida is the largest centre for family entertainment in the entire world. It has Disney World, Universal Studios and the famous marine zoo, Sea World.

New Orleans, Louisiana is the most European flavoured city in the USA. Spanish and French cultures mix with Afro-American and Caribbean influences to form this exotic city, famous for Jazz music and fine Cajun cuisine.

The Grand Canyon National Park in Arizona is one of the greatest natural wonders of the world. It is a fifteen hundred metre deep canyon, over twenty kilometers wide and a hundred and fifty kilometres long!

Death Valley, Nevada is the lowest, driest and hottest valley in the USA. The average temperature in July is forty-six degrees!! And the total rainfall every year is less than six centimetres!

San Francisco, California is the second biggest city in California. It is smaller than Los Angeles and does not have the warm tropical beaches, but it is much more scenic. It is also famous for its magnificent Golden Gate Bridge.

Yosemite National Park, California contains one of the most beautiful alpine valleys ever seen. There are enormous vertical granite cliffs with nearly a dozen cascading waterfalls. It's a paradise for rock climbers, backpackers, campers, photographers and tourists.
